

For those who enable
future-focused trends.

To whom it may concern,

We would like to introduce a **great opportunity for STEM students** in our Henkel Adhesive Technologies innovation departments in Duesseldorf, Germany:

By launching an 18-months rotational program we are offering 11 international top talents on a permanent contract a great start into their career in innovation.

We are looking for fresh graduates with a PhD or Master in:

- Chemistry, or any kind of chemistry hybrid studies, such as bio informatics, applied science

OR

- Engineering, or any kind of hybrid studies, such as material science, Applied Physics, physical engineering

Of advantage: Graduates who have experience or are highly interested in future innovation trends like Data Science, Manufacturing 4.0 & Automation, CO2 Reduction, Data Enabled Services, Electronic Miniaturization or alike Mega Trends.

We enclose our **digital brochure for further use**. We would appreciate, if you share the information with your students. **Applications via our website www.henkel.com/careers/innovationimpact will open from 1st of April 2022.**

Henkel Adhesive Technologies #Innovation Impact Program

Dr. Nigel Fay, Corporate Vice President, Innovation & Application Engineering
Stephanie Broecker, Adhesive Technologies Innovation Strategy Manager

About Henkel

Henkel operates globally with a well-balanced and diversified portfolio. The company holds leading positions with its three business units in both industrial and consumer businesses thanks to strong brands, innovations and technologies. Henkel Adhesive Technologies is the global leader in the adhesives market – across all industry segments worldwide. In its Laundry & Home Care and Beauty Care businesses, Henkel holds leading positions in many markets and categories around the world. Founded in 1876, Henkel looks back on more than 140 years of success. In 2020, Henkel reported sales of more than 19 billion euros and adjusted operating profit of about 2.6 billion euros. Henkel employs about 53,000 people globally – a passionate and highly diverse team, united by a strong company culture, a common purpose to create sustainable value, and shared values. As a recognized leader in sustainability, Henkel holds top positions in many international indices and rankings. Henkel's preferred shares are listed in the German stock index DAX. For more information, please visit www.henkel.com.

Henkel Adhesive Technologies is the No 1 company globally in Adhesives:
