## WHY MEXICO CITY?

Mexico City is the capital of the country and one of the most important political, cultural, educational and financial centers of America. It is one of the 10 largest cities in the world, classified by The New York Times as “the metropolis that has it all”. Mexico City is a cosmopolitan city, ideal for encounters with the historical past; a destination that offers a great cultural, gastronomic and architectural diversity.

## WHY UNIVERSIDAD ANÁHUAC MÉXICO?

Universidad Anáhuac México is a private higher education school founded in 1964 in México City as an essential element within the educational project of the Legionaries of Christ.

Nowadays, Universidad Anáhuac México is recognized nationally and internationally as one of the best universities in the country. According to the QS World University Ranking 2019, Universidad Anáhuac México ranked third in the national ranking of the Top 10 of the best universities in Mexico for the second year in a row. Due to the high academic quality of its undergraduate and graduate programs, Universidad Anáhuac México has 16 national and 6 international accreditations.

# SCHOOL OF GLOBAL STUDIES

The objective of the School of Global Studies is to educate students who respond to international needs, including a line of research that is focused on topics such as Human Rights, international security, conflicts, negotiation, regional studies, and foreign policy.

The faculty and researchers have active participation in national and international forums and an important collaboration in specialized magazines and media.

The course will give its students a broad vision of the political and social structure of Mexico and its international relations with the different regions of the world. For a week, students will receive history, government, geopolitics and regions classes, while discovering different historical and cultural heritage of Mexico.
